MAKE SOME DOUGH

There's nothing like the smell of freshly baked bread and it tastes even better when it's homemade. Learn how to become a master baker with this bread-making course run by the National Hospitality Institute. In no time, you'll be turning out beautifully made cornbread, sesame peanut bread, baguettes, focaccia, tomato bread and olive bread. Presented by the NHI chefs at Gulf Chef School, the course provides ingredients, preparation, baking methods and finished products for you to take away - and eat! Duration is two classes, one day a week for three hours a day, from 9.30am-12.30pm. Cost is RO70 per person. For details, contact 2481 3141 or email [businesscentre@nhioman.com](mailto:businesscentre@nhioman.com). Check out [nhioman.com](http://nhioman.com) for details and more courses.
