**MUSCAT** — The International Hotel Management diploma full-time programme has been running for 18 months at National Hospitality Institute (NHI), and the students are now ready to commence their six-month industry placement.

Intercontinental Hotel Group (IHG), Al Bustan Palace Hotel, Intercontinental Hotel Muscat and Crowne Plaza Muscat have taken on these eager future hoteliers to develop them further on their on-the-job cross-training internship programme.

The diploma, certified by the educational institute of the American Hotel and Lodging Association (AH&LA), is currently delivered in 30 different countries and is well-recognised

by the international hospitality industry.

These NHI diploma students have now completed their entire classroom learning which includes subjects such as Basic Hotel and Restaurant Accounting, Managing Hospitality Human Resources, Training and Development for the Hospitality Industry, Front Office Operations and Food Safety: Managing the HACCP Process

amongst many others. It is now time for them to put theory into practice and join the industry in their internship with Intercontinental Hotel Group here in Muscat.

“We are delighted to mark this momentous occasion where our first diploma students are about to start their internships with IHG.” said Rob MacLean, principal National Hospitality Institute Oman.
